School Description

Gault Elementary School is a caring community that fosters respect, values diverse cultures and languages, and promotes positive school climate through the use of PBIS. Through a meaningful and appropriate curriculum, we work to ensure that all students experience continuous growth in academic and social skills in order to become complex thinkers, collaborative learners, and clear communicators. We do this through excellence in teaching, parent and community partnership, and support from our school district. We are a diverse population: 65% Latino, 52% English Learner, and 69% Free and Reduced Lunch. We are a relatively small elementary school with approximately 350 students, 23 certificated teachers, an RTI coordinator, 23 classified support staff, full time principal, bilingual school counselor, bilingual community coordinator and part time social worker. We have several programs at Gault that provide students with lifelong learning skills, however it has been our work around climate and culture that has made a noticeable impact on student learning in the classroom.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

The main building was built in 1928 and went through extensive remodeling in 2005. We have a courtyard, which we use for instruction and as a gathering place for students and parents. The Life Lab garden and science lab is a center in which many lessons and activities take place. We have a library, which is a gathering place for students at lunch and recess as well as a place where lessons are taught to every class on a weekly basis. Additionally, we have an art and separate music room that provide focused space for the arts weekly for our students. Gault School offers the charm of a historic building filled with eager students. We passed our 2020 Williams facility audit with a 98% "good" on the fit report and passed our 2020 safety audit.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and

- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

ELA	33	N/A	53	N/A	50	N/A
Math	30	N/A	46	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Our School Site Council approves the school's annual plan and budget. This group of parents, teachers, and administrators meets each trimester to monitor the Single Plan for Student Achievement and to discuss issues of concern to the school community. In addition, we have an active English Learner Advisory Committee (ELAC) that monitors the programs for English Learners and trains parents to assist students in school and provide leadership. Our GPTO is involved in many aspects of our school including fundraising, volunteering and enhancing programs for all of our students. ELAC meets monthly and GPTO meets quarterly. Additionally, we have a site Bond committee that makes decisions and gives input regarding our facility bond projects. To become more involved, please call or visit the school office - (831) 427-4812.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Gault School is a very safe place for students to learn and play. All students know and understand our Gault "Good to Great" Agreements. We use the Gault Agreements to help students solve issues with each other and treat others with respect. We have implemented PBIS (Positive Behavior Intervention Support) framework for the past three years. Our school climate is inclusive of all students and promotes self confidence, and problem solving. We revise our School Safety Plan yearly as we conduct our monthly drills. We have a comprehensive site safety plan posted to our website. All staff are updated on the safety plan and understand their role in a variety of emergencies.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	1.2	2.8	0.8	1.2	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0.6	1.8	N/A
Expulsions	0.0	0.06	N/A

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Types of Services Funded

We use our state and federal dollars to offer additional classroom support during our ELA time, Tier 2 interventions in language arts and math, our PBIS program, a part time social worker, misc supplies, extra yard duties and professional development trainings for staff. ASES funds support an after school coordinator for our program along with several learning assistants that have received specialized training. Last year the GPTO raised \$25,000 through various fundraisers. These funds support classroom projects, community events and some facility and garden improvements.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California’s new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California’s diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
